It's time to go.

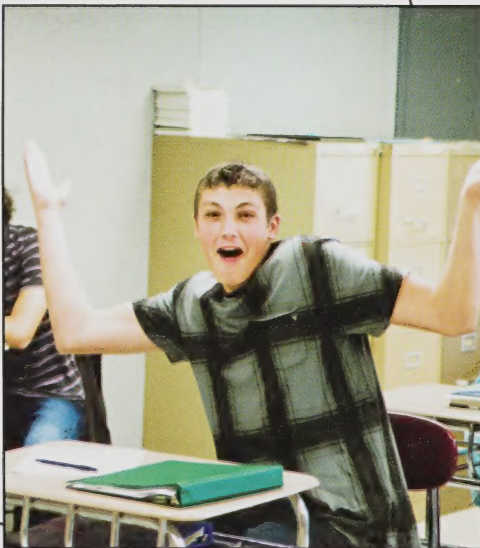

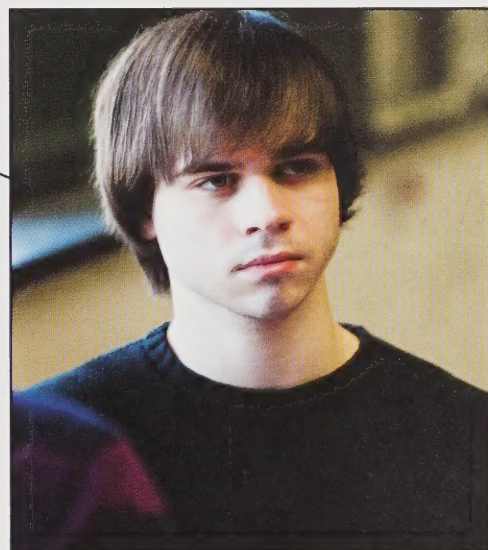

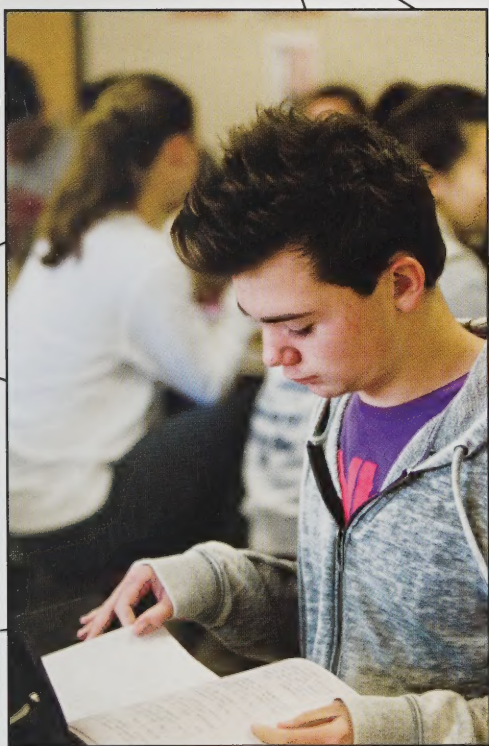

But . . .

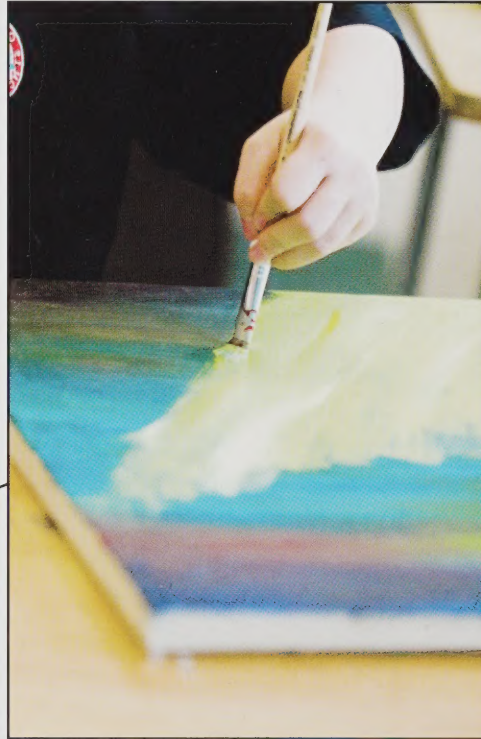

do we know the way?

# Will we forget

# where we came from?

# What the people and places were like?

Gather our memories,

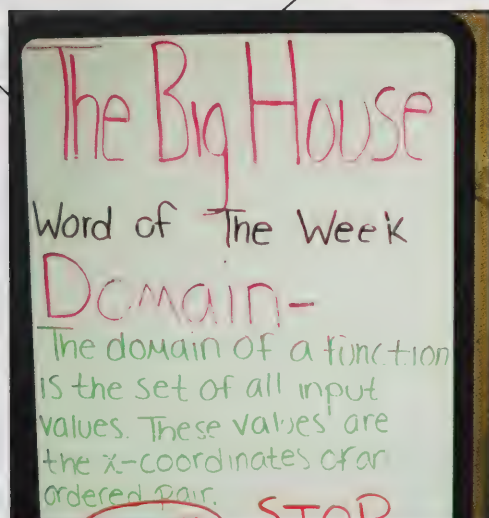

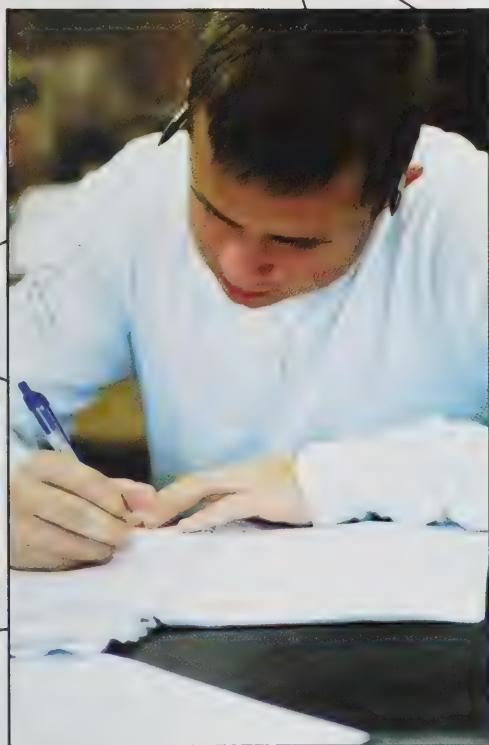

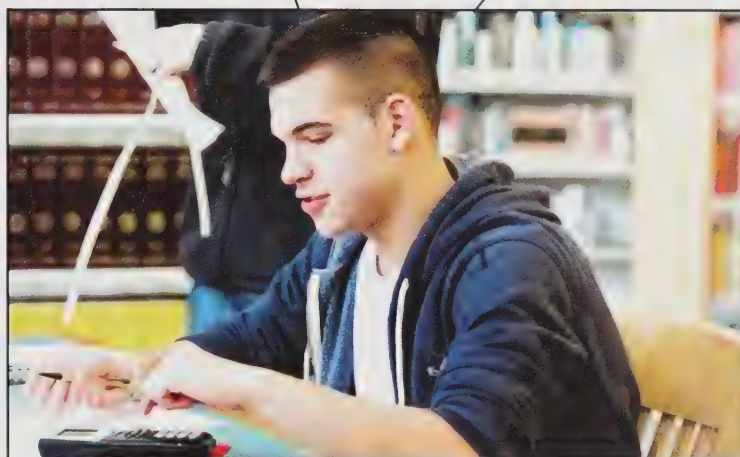

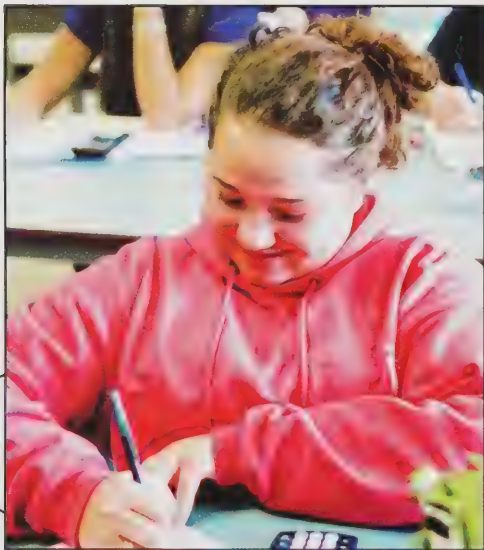

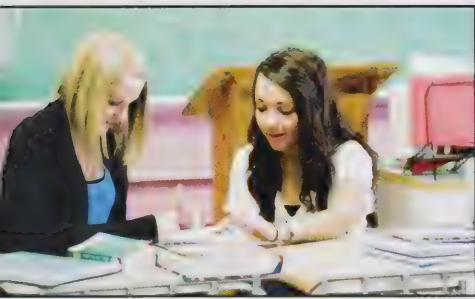

Arrange them A to Z,

**And reminisce.**

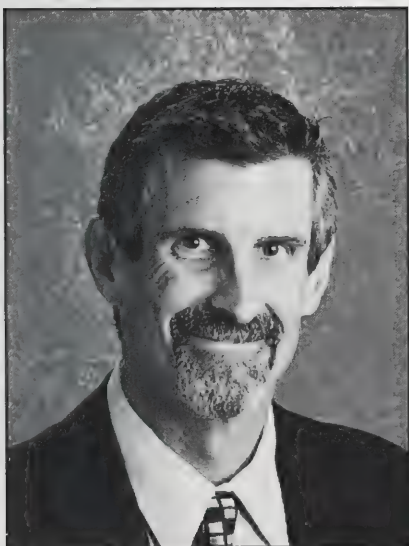

Let the past be the guide to our future.

# How to be a team player.

# How to build a pyramid.

(right) Sam Miele busts out a congratulatory kiss to teammate Loren Gonyea while Caitlin Van Aller looks on.

Aside from cheering at the football and basketball games the Ludlow cheerleaders competed in five invitational competitions this year. They placed 1st at three of those competitions. Senior Captain Sam Miele will be greatly missed next year along with Cat McCarthy, Mel Juliano, Bianca Soares, Victoria Allen, and Jess Barlow. Keeping the team together next year will be Sophomore Captain Michelle Almeida. One of the goals of the team next year will be to bolster their roster with new and talented Freshmen recruits.

(above right) Our cheerleaders are endlessly creative with their competition outfits and routines.

(bottom left) Coach Picard gives a rousing speech to pump up his players.

This season the Ludlow Lions were able to break their losing streak when the Lions beat LHS rival, Cathedral High School. Led by seniors Dave Clark, Adam Leacock, and Matt Simon, the team chemistry is definitely better than last year. There are quite a few promising underclassmen on the team who will help carry the team's momentum into the future. Overall, team spirit and commitment remains still strong and they will persevere.

With a bump, set, and spike, this year's Girls Varsity Volleyball made it to the playoffs. Leading their team were seniors Susan Skaza, Tanya Belyshev, and Patty Taylor. There was help from Ariana Quesnel and Makayla Reynolds when the team was victorious. The Girls Volleyball had great year and they look forward to leading the team to success in the future.

Golf 2010 had a great season this year. Senior leaders Kyle Benoit, Ryan Benoit, and Keven McCullough showed great poise and composure down fairways, through the rough, and across greens. Coach Anderson has high hopes for eagles and holes-in-ones from Joe Francisco and Thane Schinabeck next year.

This year's Lady Lions learned a lot of lessons about team spirit and hard work. Even though the team had a tough season, the leadership of Juniors Ariana Quesnel and Lynsey Majka and Sophomore stand-out Ava Adamopoulos helped the team to stay positive. Coach Brillo is already looking forward to next year as the entire team will be returning ready to go and stronger than ever.

This year, the Lions' basketball team started off strong and hoped to carry a good record through to the end of the season. But with failing grades and close games, it was inevitable to escape the many ups and downs. Veteran Varsity players Kyle Wright, Josh Carlos, Nate Gregoire, David Clark, and Adam Leacock tried to pick up the pieces and lead the Lions to some key wins. Newcomers Jeremy Lamontagne, Connor Simonds, Matt LaCoille and Marcus Lafayette brought their own intensity to each game. Coach Donaldson has high "hoops" for next year's team and hopes to guide them to a winning season!

This season the Lions wrestling team was small but fierce. Out of fourteen weight classes Ludlow only has nine filled. This puts them at a disadvantage, however it also drives them to try and pin almost every opponent. Seniors Brian Persson and Bob Gillette, who is a new addition to the team are working on their final season. Junior Chris Scagliarini is the team captain and leads the team in stretches and is known amongst his team for his good work ethic. A lot of newcomers came and went but the ones that stayed are making the difference, such as Chris Goulet.

(below left) Ryan Benoit expertly uses his edges to attack the gate.

With the huge amounts of snow we received, the 2010-2011 season will go down in the record books as an outstanding year to be a skier. Following Coach Smith's lead, the Ludlow High School's skiers took to the slopes this year with spirit, poise and the determination to have a great season. Zack Ziemba capped off his season by qualifying for special seeding at the Western Mass Individual competition. Keifer Kaleskik-Orszulak posted standout performances over the course of the season that not only qualified him for Western Mass Individuals but also the State Competition. With talent like this, the team is sure to climb to new heights next year!

Whether it's carving a turn close to the gate or shooshing towards the finish line, Hannah Eberli and Chris Barbeau have what it takes.

With a disappointing end to the 2009-2010 season, the Lions hockey team has bounced back and is looking to make it past the first round of the play-offs. With coaches Paul Rivest and Jeremy Soja behind the bench for another year the team is poised for a great season. Lead by seniors Dylan Larrow, Brett Bohl, Billy Kimball, Bobby Gavoni, Joey Curtis, Josh Garete, Aniel Russo, and Nick Fratomico, and show the underclassman what to do. And with a tough schedule ahead of them, they are looking to do some damage, and show the other teams how to do it.

# How to lead the way.

Expect success...every child...every day, is the mantra of the staff at LHS. This well-educated staff works extremely diligently all year in order to guide all Ludlow graduates into a successful future in the world at large.

# How to enjoy a cup of coffee.

The Paw Literary Magazine hosted it's annual Coffee House on December 10th 2010. The night was an amazing success. Although Coffee House shared the night with the Winter Tip-off Classic, students and teachers had a great time bouncing from one event to another. With over a 100 people in attendance and over 30 acts the show went on even past it's scheduled time.

# How to make headlines.

The staff at The Cub has had a very eventful year. A new Principal, an epic winter, and the launch of their online newspaper all kept the staff and their advisor Mr. Cangemi busy. In February The Cub decided to take their

well loved paper online. Students could access and read The Cub from anywhere by going to [www.ludlowcub.com](http://www.ludlowcub.com). The website featured articles of interest as well as a great staff page that

let the rest of the school know more about the reporters. The Cub was also responsible for hosting the annual Homecoming.

The 2010-2011 Drama season was full of obstacles and celebrations. After the auditorium was closed due to snow issues in February the Drama Fiefdom had to move their Night of One Acts. On a high note, the LHS Drama club

qualified for state semi-finals with a play called My Pretty Life. Although Mrs. Clark saw a cast of nearly all new performers, two stars shone brightly. Andrew Lavigne and Steph Glanville won individual awards!

Being Portuguese is part of Ludlow's heritage and pride. As a result this is one of the largest and most active clubs in Ludlow High School. At the beginning of the year they did a car wash, to raise money. They

raised a ton of money. The club celebrated Sao Martinho day with food and festivities. One of the featured dishes were pasteis de bacalhau or cod fish balls to those who don't know. Many of the staff and faculty at Ludlow

High School attended the event which took place after school. The members of the club educated them on Portuguese culture. The food and music lifted everyone's moods. The Portuguese Club looks forward to next year's celebrations!

# How to “tip-off” the winter.

Rookie Athletic Director Tim Brillo organized a new and exciting way to usher in the Winter Sports and Activities season. Battle of the Classes events like a three-legged relay and a hula hoop endurance contest were on tap to start off an exciting evening. The entire night was “tipped off” by a hard-fought basketball battle between the LHS Faculty and students. After four intense quarters, the students squeaked out a win led by the outstanding play of Josh Carlos, Nate Gregoire and star rebounder, Jenn Auger. Everyone agrees that this is a tradition to continue in the future!
